

Herbal History Research Network Study Day – South and West Region
Saturday 10th March 2012, 11 am-3 pm
Quaker Meeting House, 1 Whiteheads Lane, Bradford-on-Avon BA15 1JU
<http://bradfordonavonquakers.weebly.com/> for map and directions.

The aim of this day is to bring together current and interested researchers in herbal history to report on progress in current projects and share ideas and problems. Our theme for the day will be about communicating herbal knowledge in the past. The cost is £10 and kept deliberately low to enable research students to participate although others are most welcome. As this cost is low, please bring your own sandwich lunch! We will arrange for hot water, tea or coffee to be made available.
